Episode 4

Your Personal CV Coach
CareerUnique

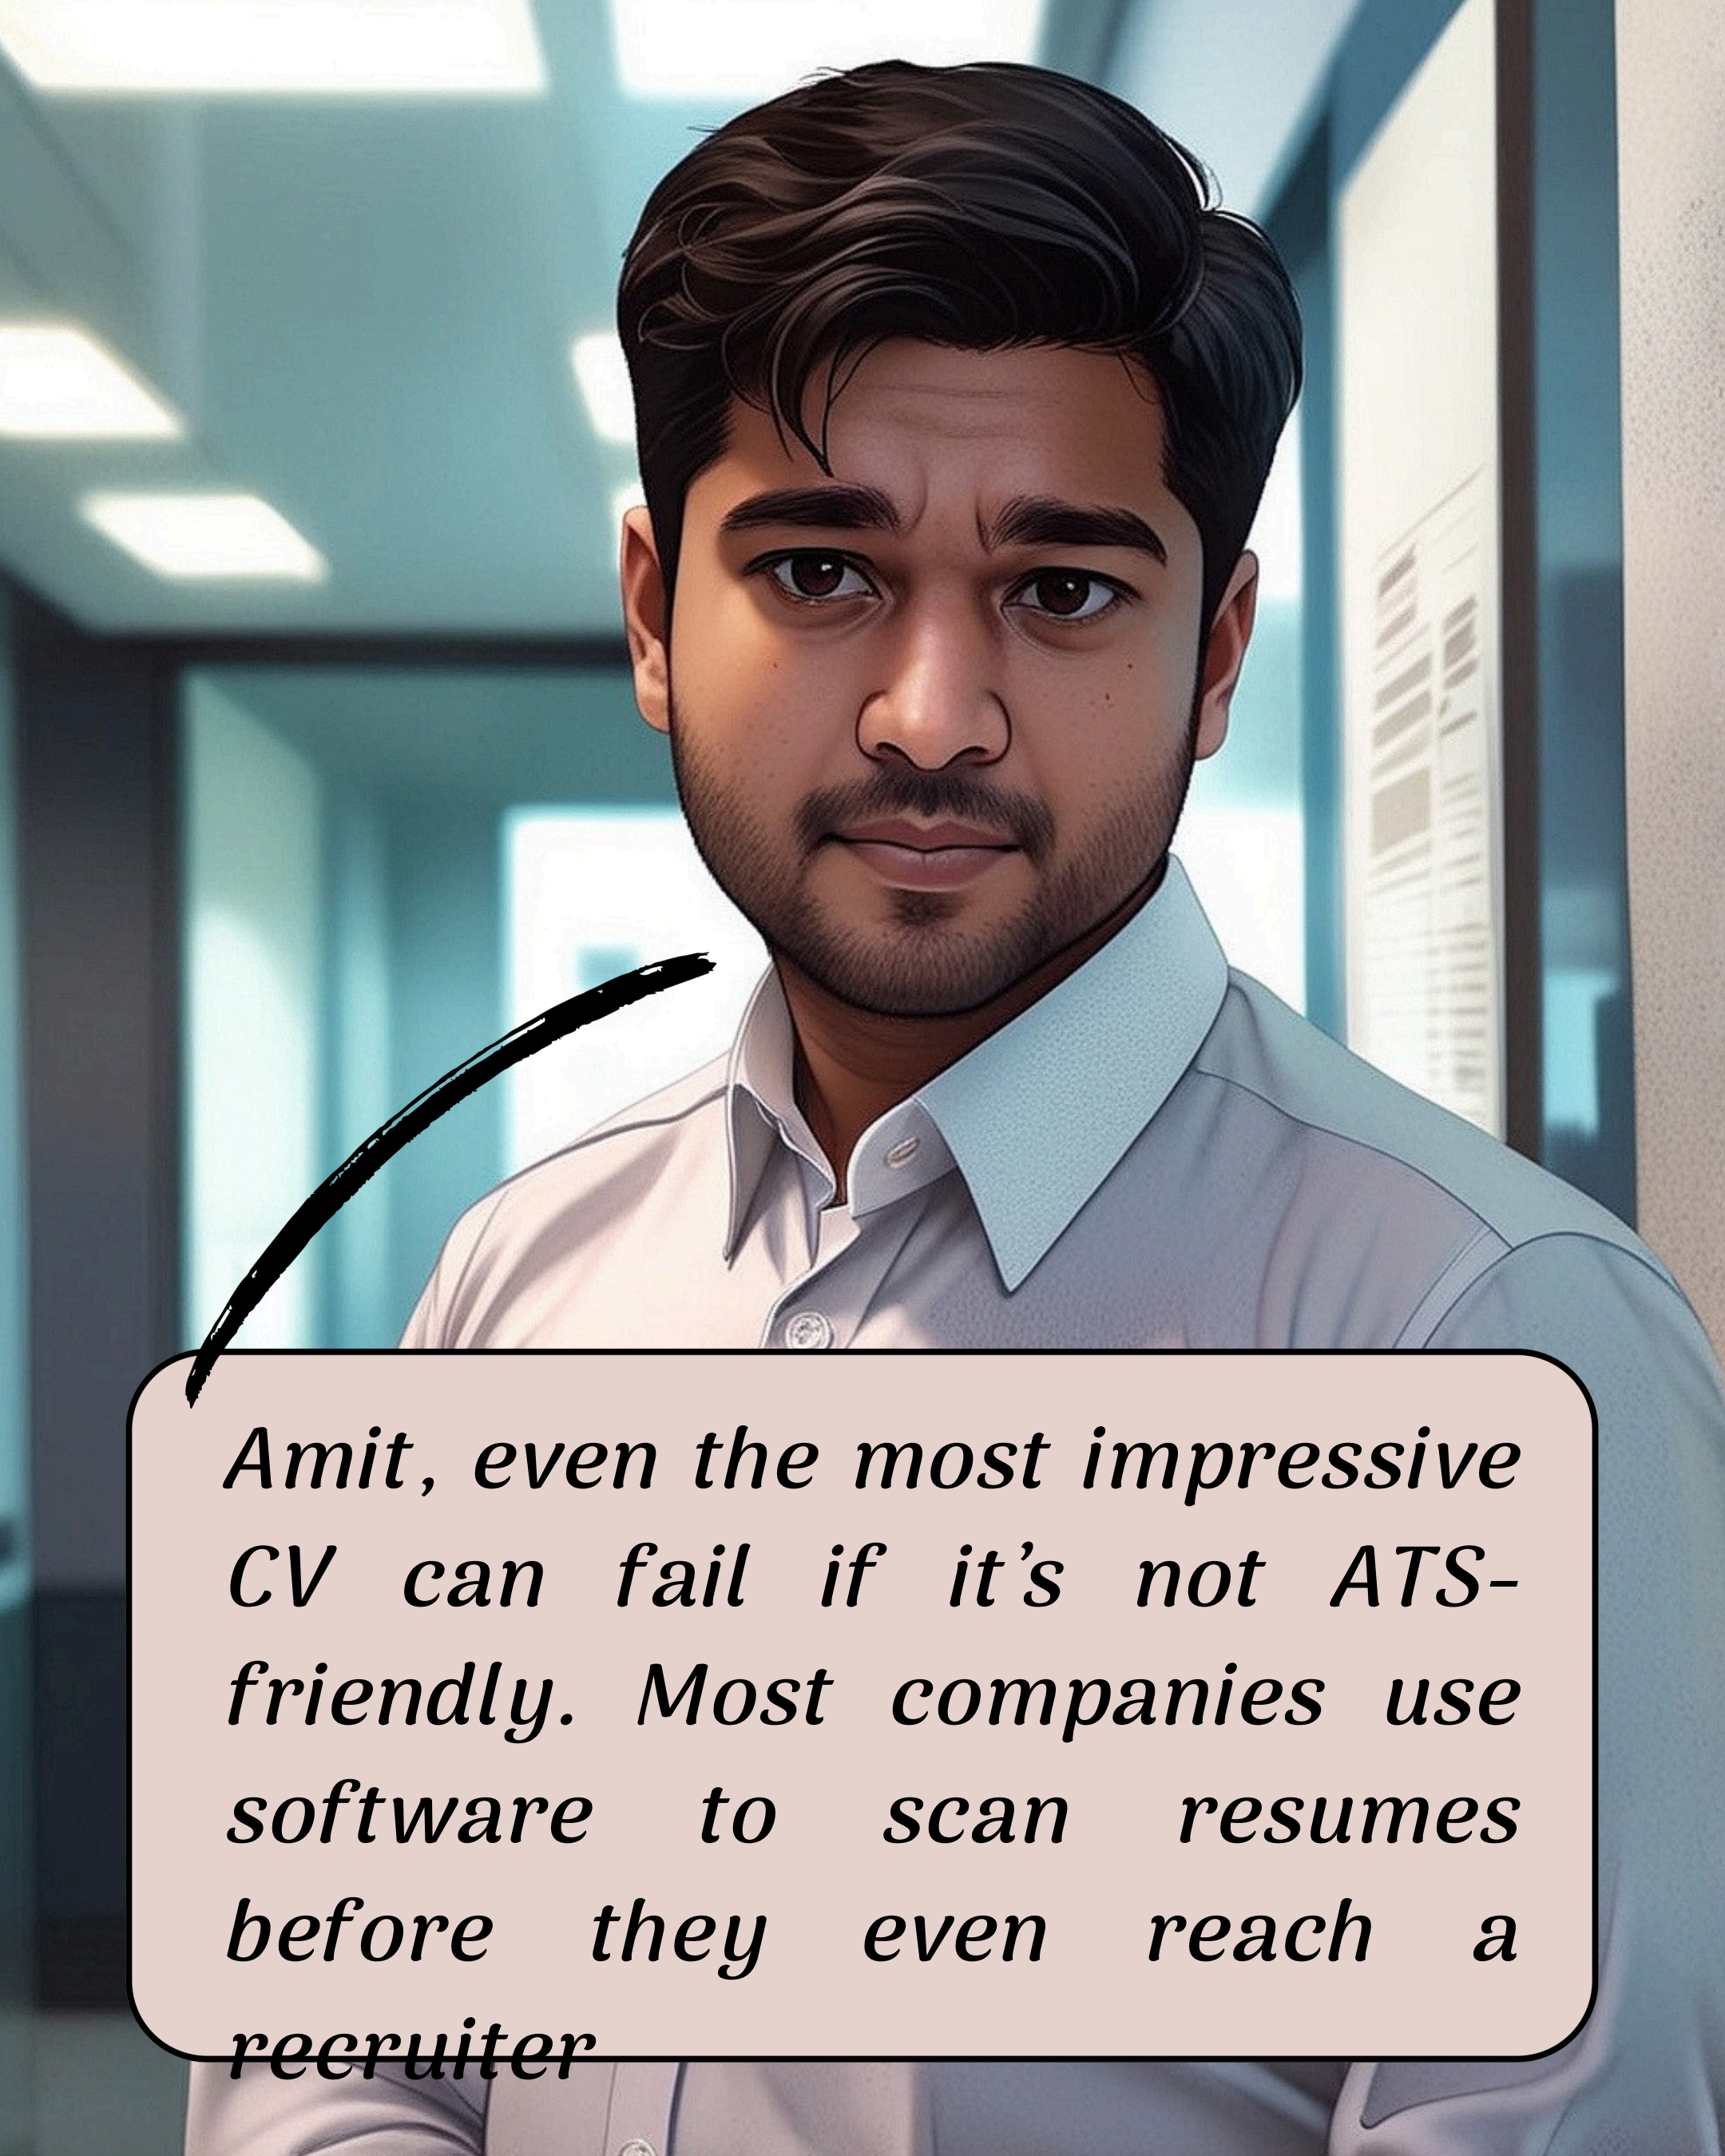

*Another rejection? What's wrong
with my CV*

Looks like you're having some trouble with job applications, Amit.

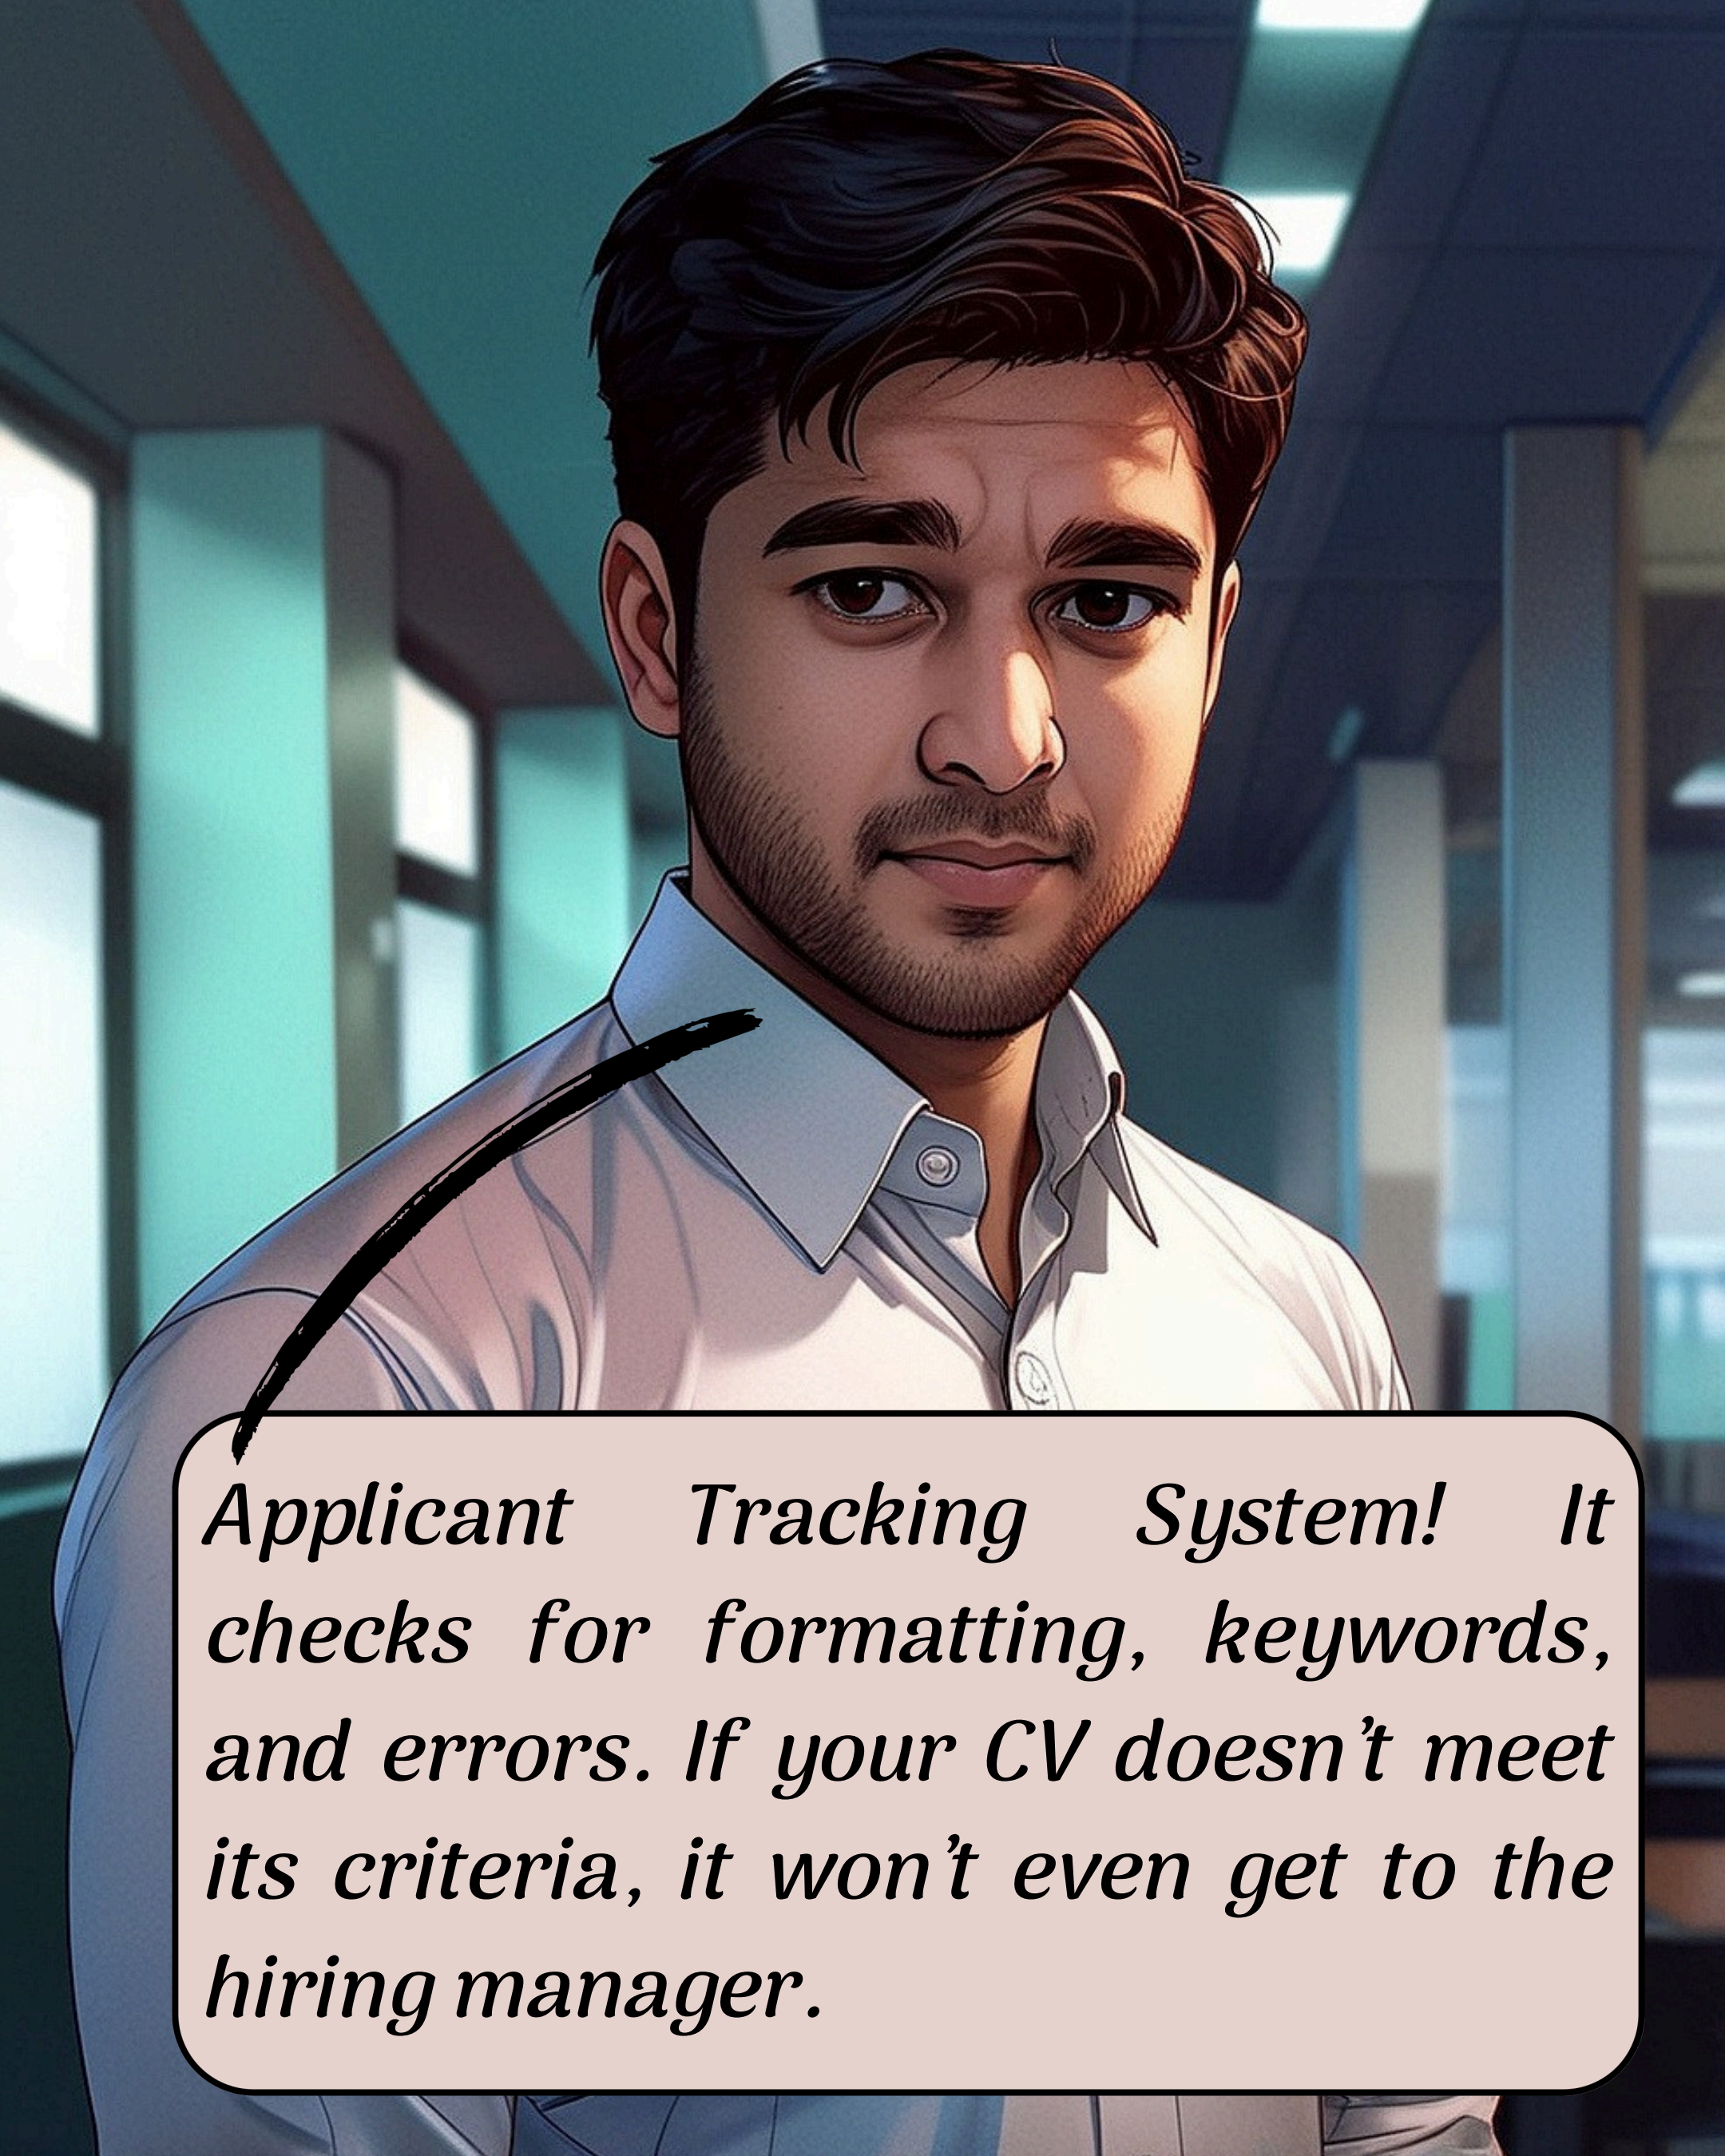

Hi, Pritesh! Yeah, I've applied to so many jobs, but I keep getting rejected. I thought my CV was perfect

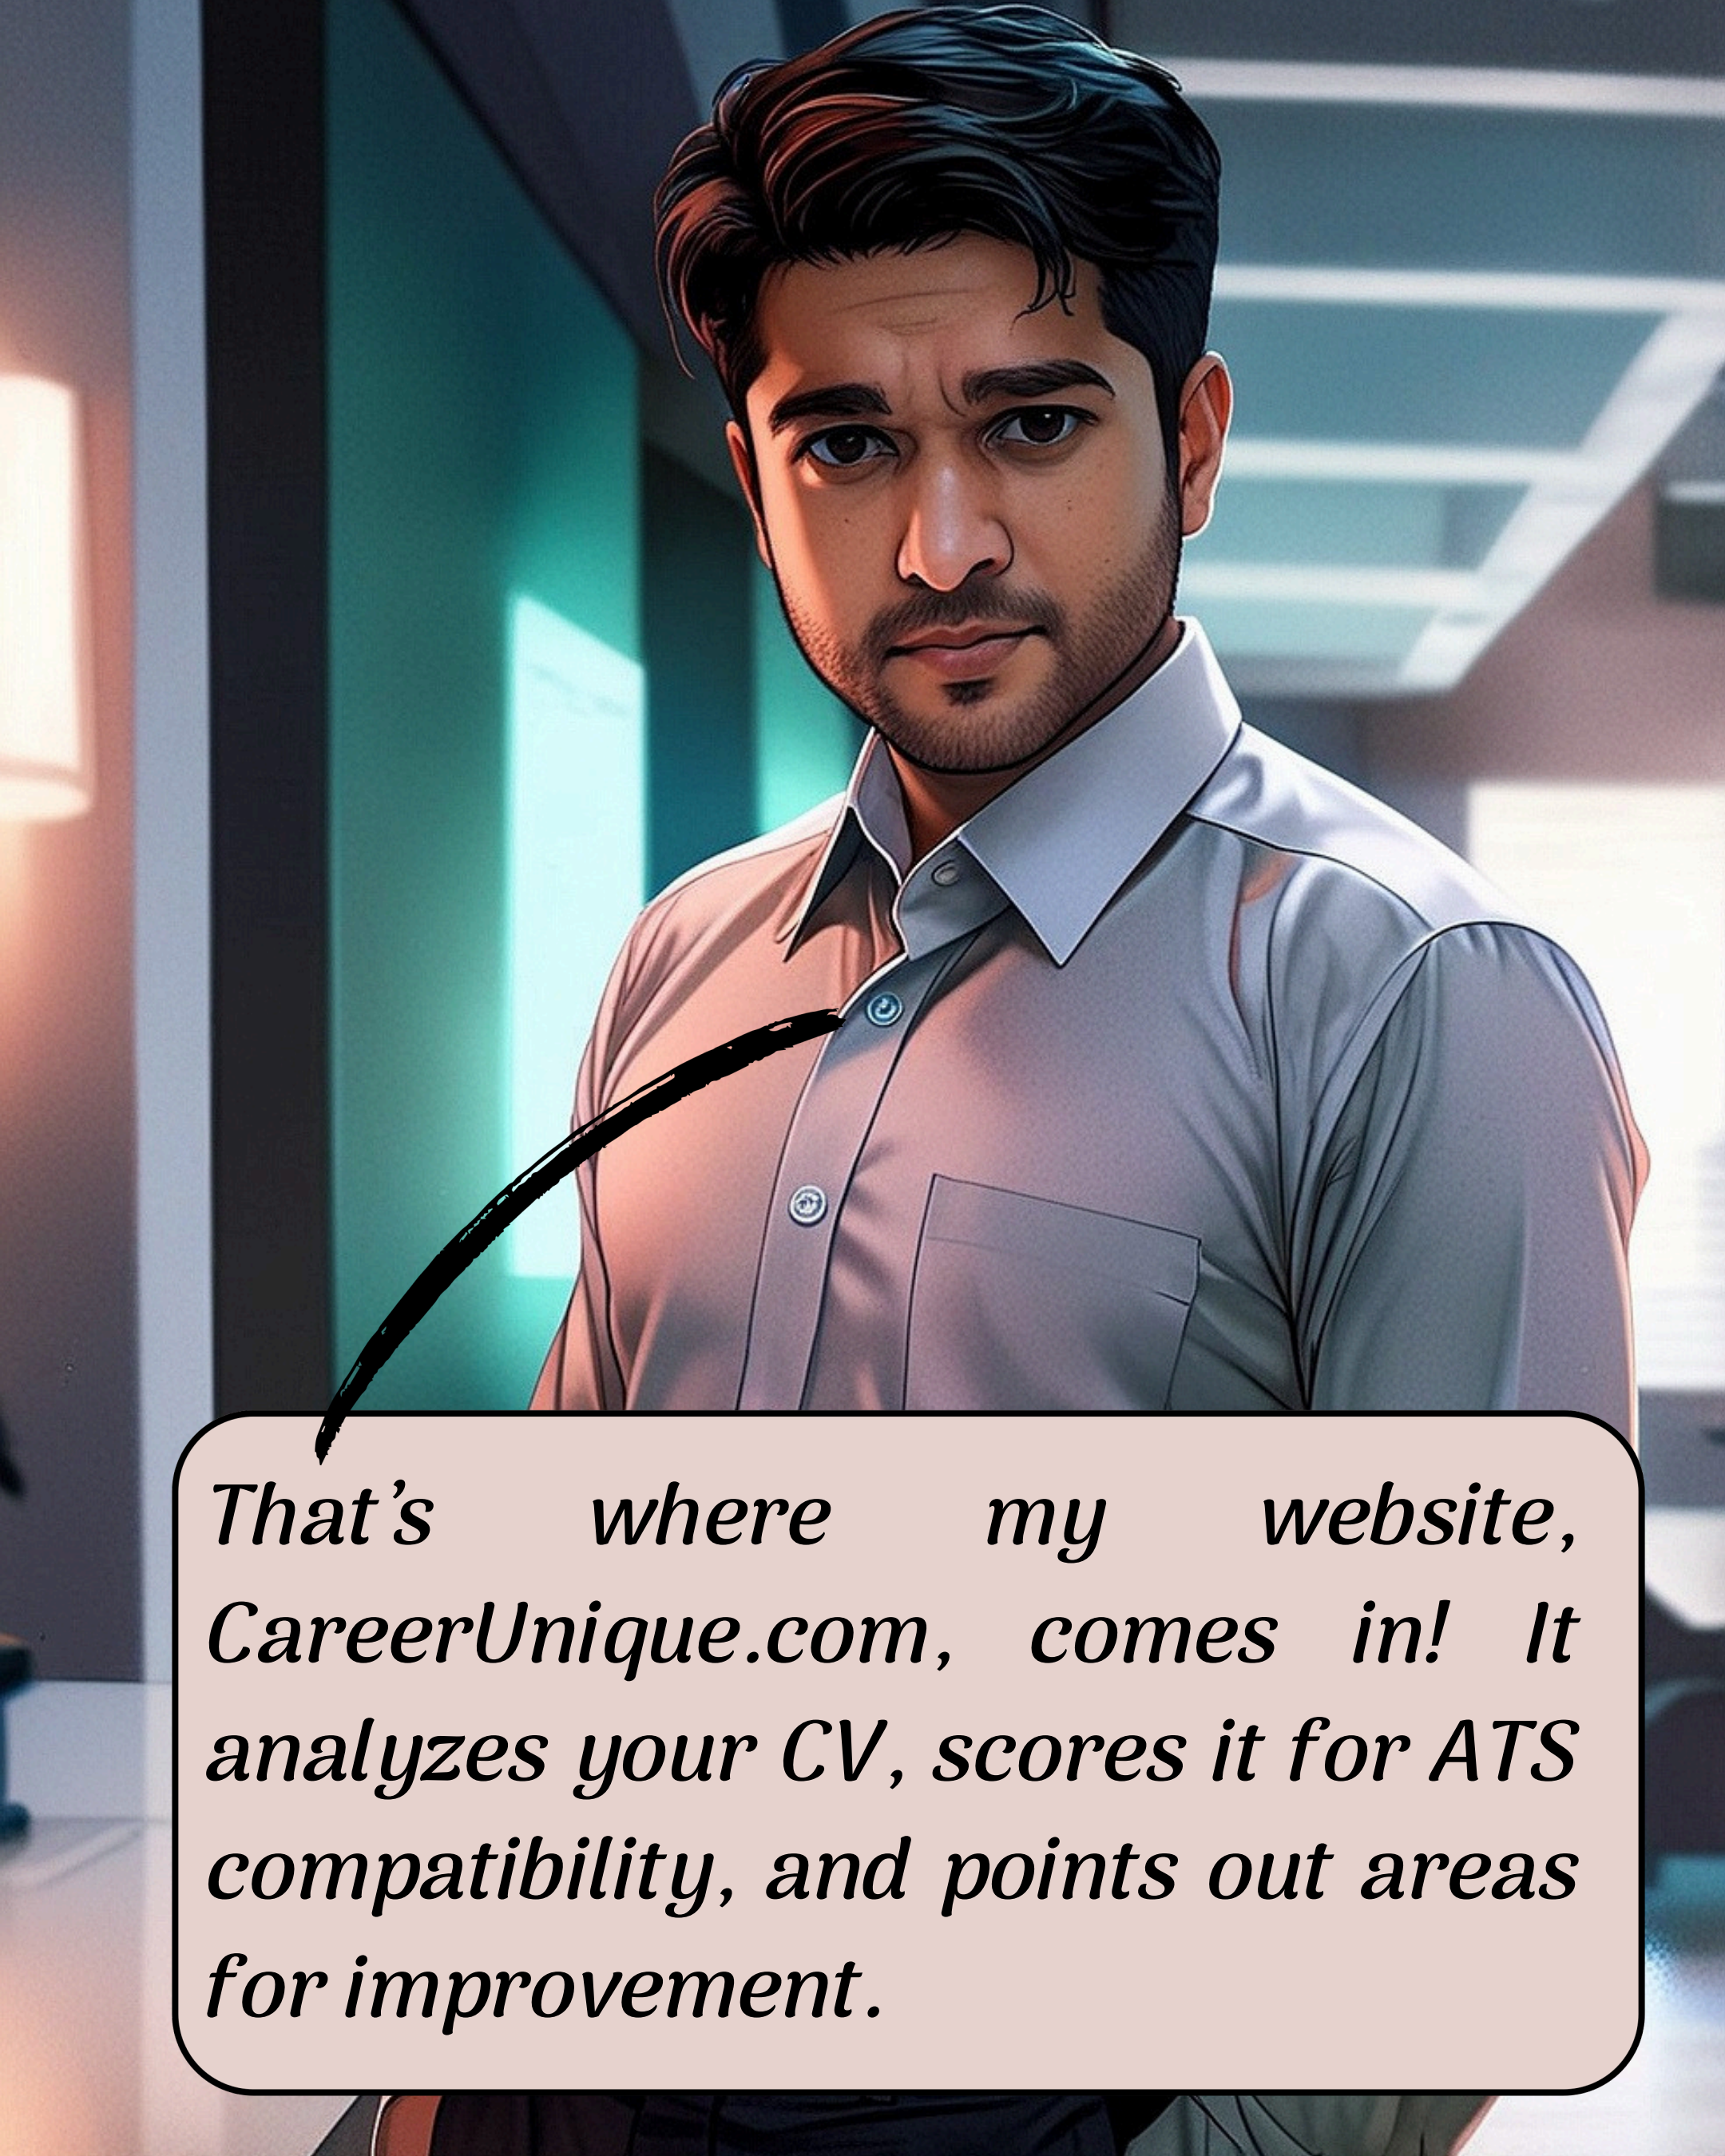

Amit, even the most impressive CV can fail if it's not ATS-friendly. Most companies use software to scan resumes before they even reach a recruiter

ATS? What's that?

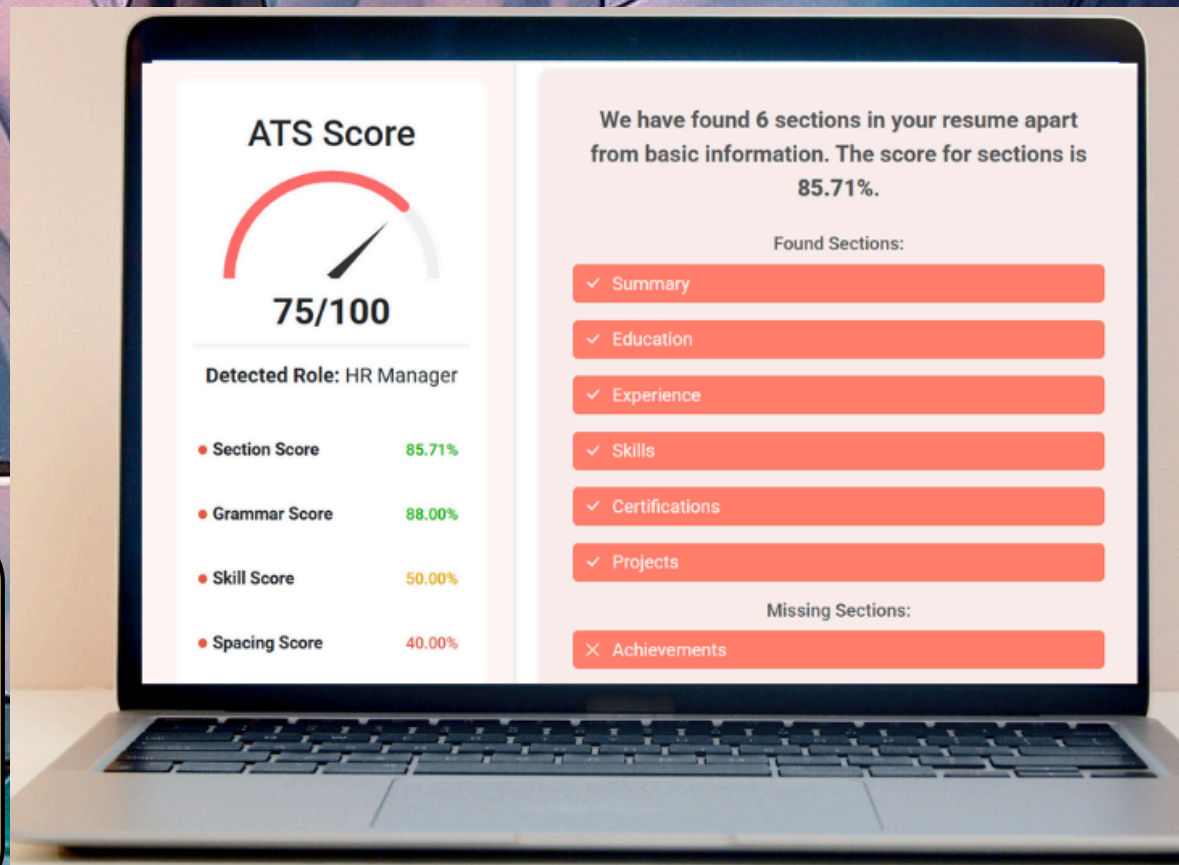

Applicant Tracking System! It checks for formatting, keywords, and errors. If your CV doesn't meet its criteria, it won't even get to the hiring manager.

A man with dark, wavy hair and a light beard, wearing a light blue button-down shirt, is pointing his right index finger towards a text box. The background is a blurred office or modern building interior with large windows and structural elements.

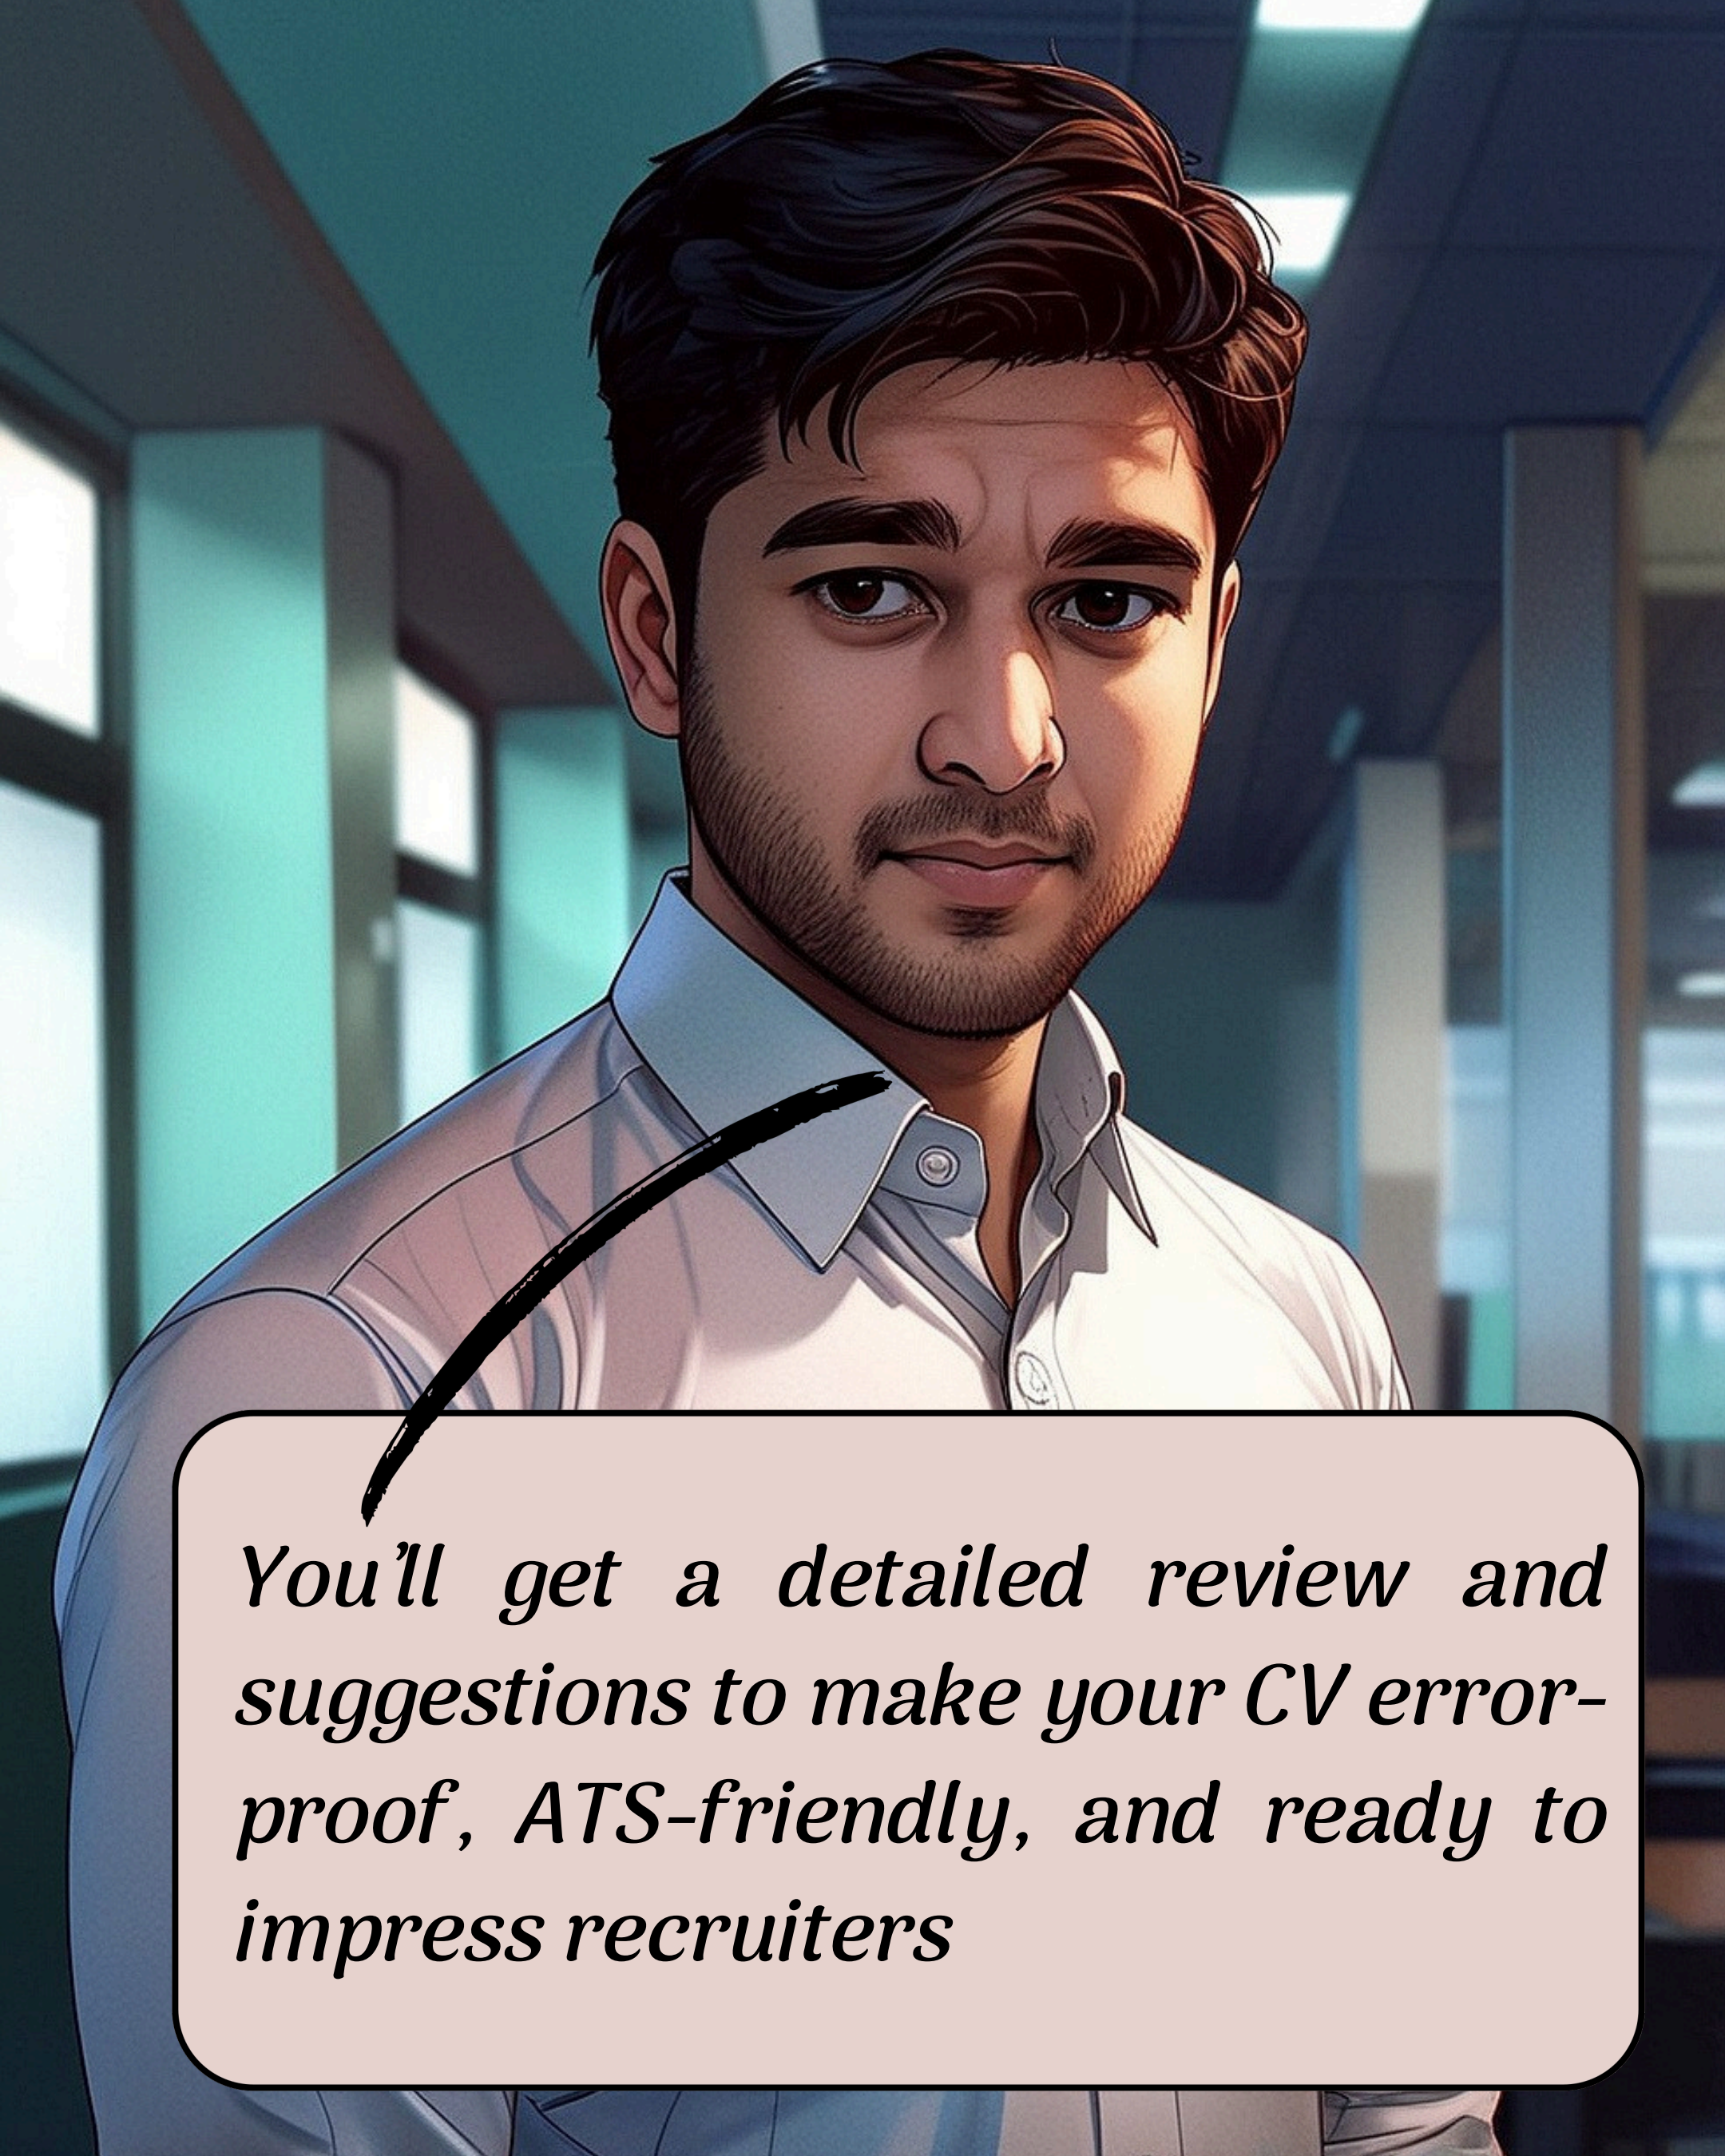

That's where my website, CareerUnique.com, comes in! It analyzes your CV, scores it for ATS compatibility, and points out areas for improvement.

A man with dark, wavy hair and a light complexion is shown from the chest up, looking intently at a laptop screen. He is wearing a white dress shirt and a dark tie. The background is a blurred office environment with warm, yellowish light from a desk lamp and cooler, blueish light from the laptop screen. A speech bubble tail points from the text box to the man's chin.

Wow! So, it's like having a personal career coach for my CV?

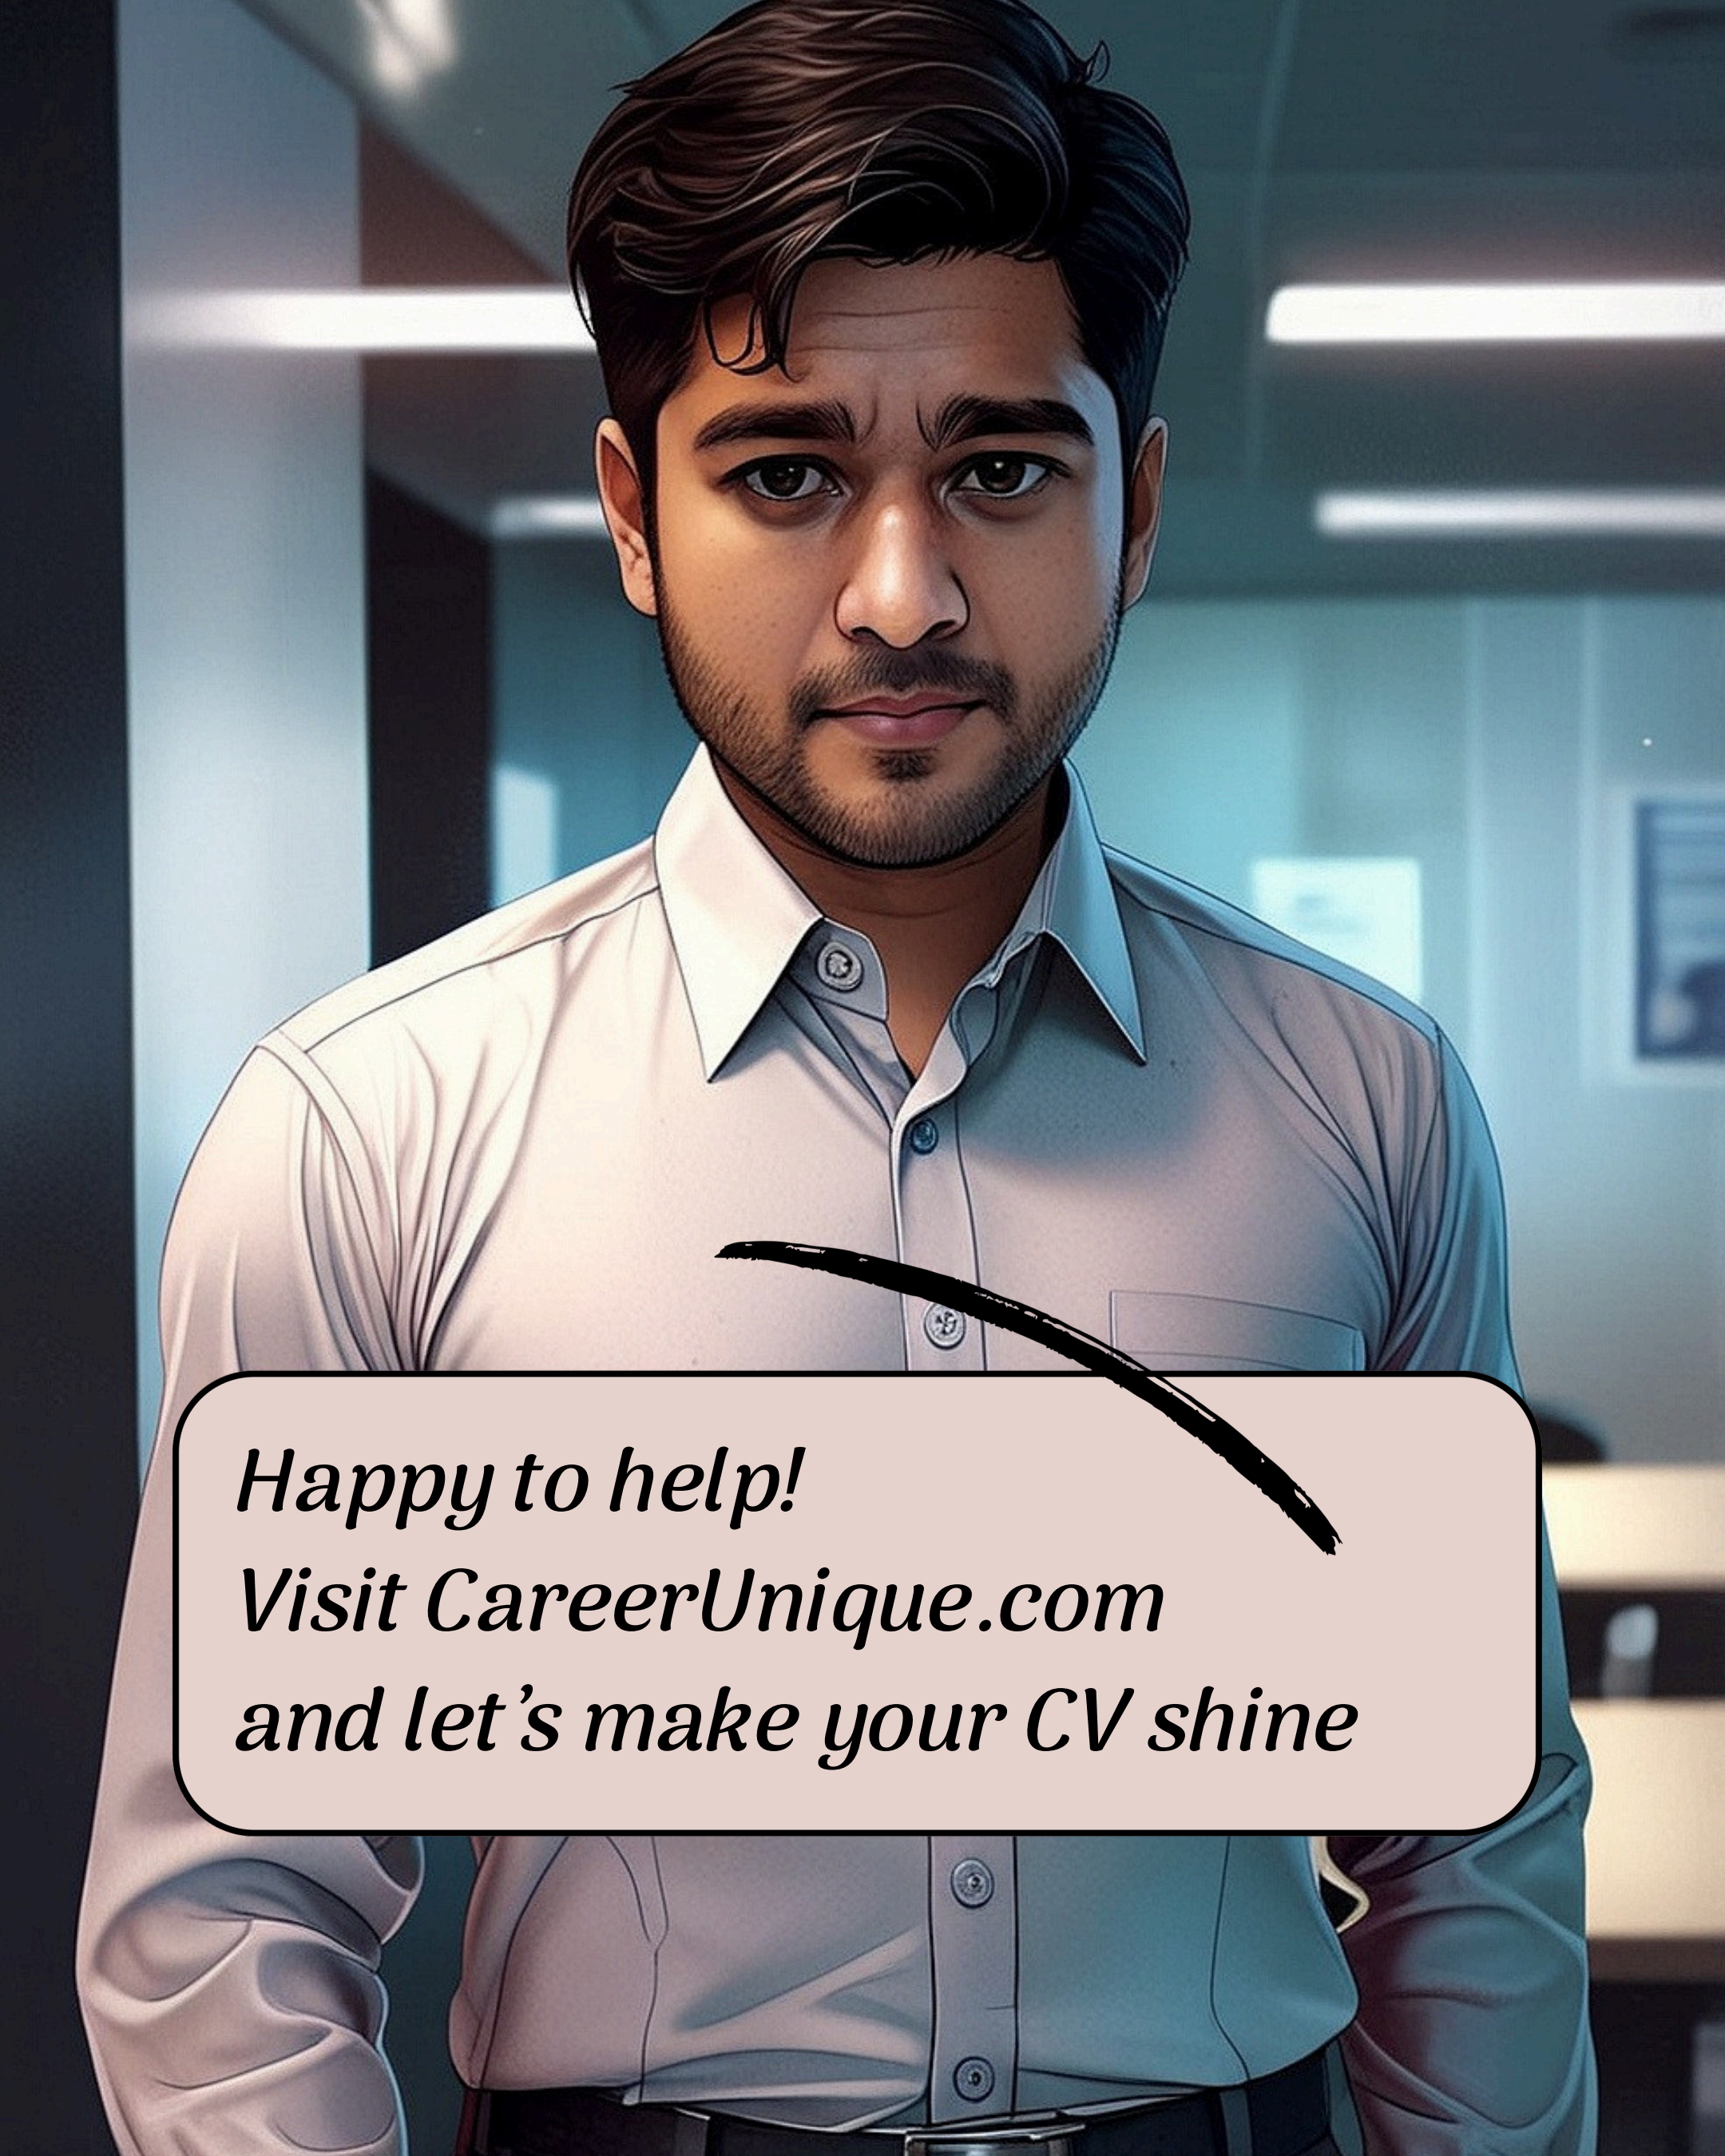

Amit goes through his CV's detailed analysis and feedback on the tool

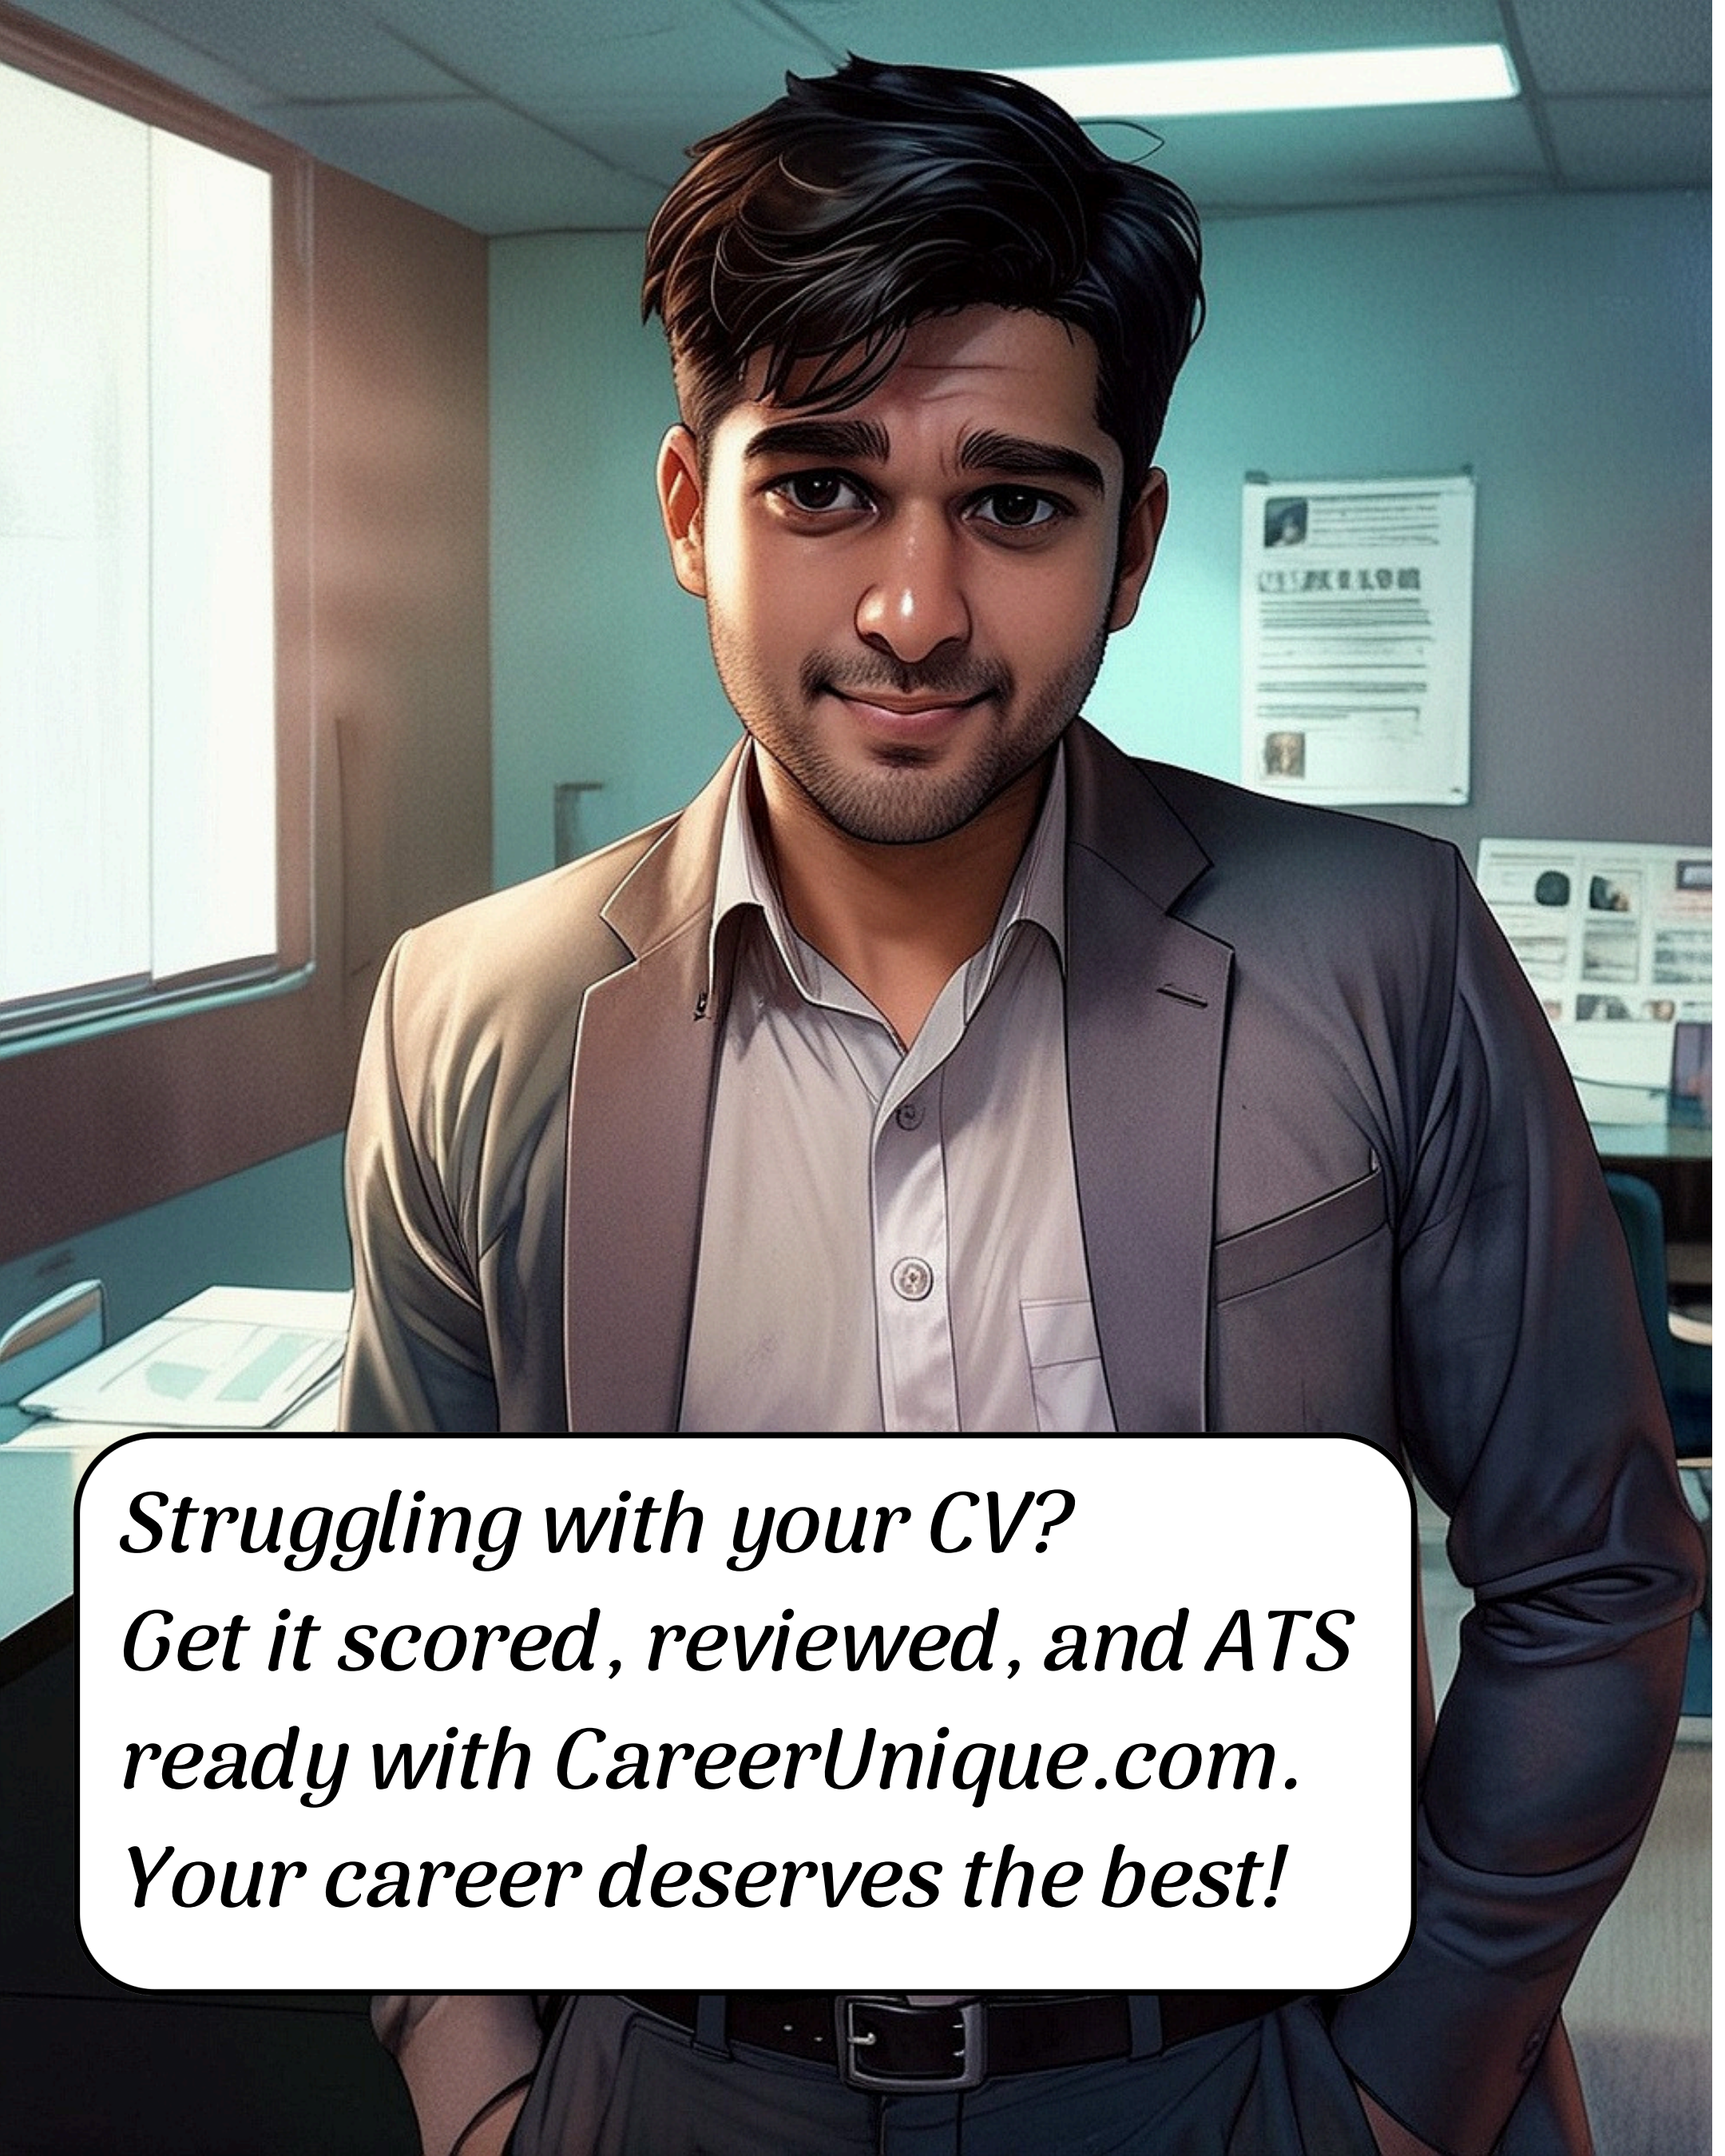

You'll get a detailed review and suggestions to make your CV error-proof, ATS-friendly, and ready to impress recruiters

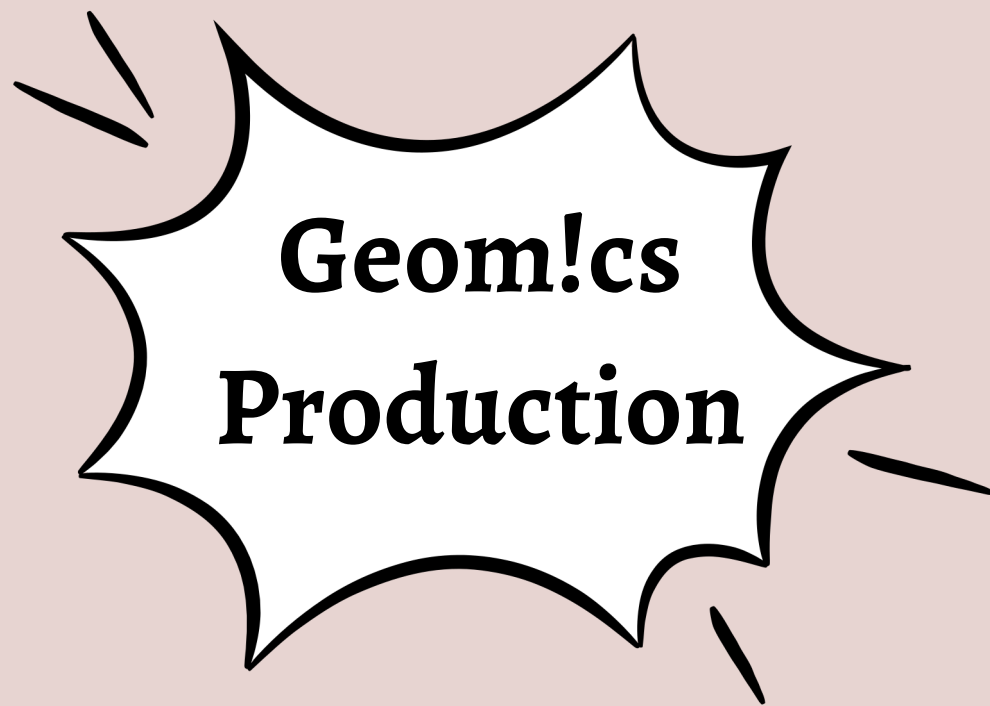

This is a game-changer! No more rejections for me. Thanks, Pritesh!

A man with dark, wavy hair and a light beard is looking directly at the camera. He is wearing a light blue button-down shirt. The background is a blurred office setting with fluorescent lights. A white speech bubble with a black outline is positioned in the lower half of the image, containing text. A thick black brushstroke is drawn over the right side of the speech bubble.
